FXU Distance Learning Officer Report

Term 2 2018 (January)

What I've done

- Introduced myself to Sarah Redman, Societies Officer FXU, and agreed to organise a Skype call during the month of February 2018 in order to analyse what are the chances to actively collaborate together;
- Worked with the Student Advisor Audrey Bauerschmidt to update, on Canvas, the information shared about the use of the tool Lynda.com as asked by some students when they have been required to answer the three questions related to Distance Learning experience (What works? What doesn't work? What can be improved?). The information related to this topic have been updated today on Student Hub area on Canvas and I shared the link with students on Falmouth Flexible Facebook page and via Whatsapp;
- Asked Student Advisor Audrey Bauerschmidt to push the mentioned three questions in order to obtain further answers from those students who don't have a Student Rep;
- Shared with Student Advisors a full documentation for Student Advisors related to those activities that should be faced in collaboration with them (as for the needs related to Lynda.com, also the need of a re-arrangement of Canvas areas has been taken onboard and now we have a general Student Hub and a Hub area specific for each MA);
- Wrote a message to new students from all MAs on Falmouth Flexible Facebook page in order to share information about my role and provide them a contact e-mail if they will need to be in touch with me directly;

What I'm doing

- Collecting the missing answers to the three questions from the following MAs' students:
 - Creative Events Management
 - Advertising
 - Writing for Script and Screen
- Waiting for feedbacks from Student Union/Leadership Team related to those points highlighted in October and December 2017:
 - The necessity of a Career Advisor for Second Year MA Students;
 - The necessity to have access to activities like Portfolio reviews and to some contents related to May 2018 Workshop Festival;
 - The necessity for MA Photography students to be involved in the AOP;
 - The indication provided in relation to the necessary improvements for Flexible MA Courses;
 - The necessity for a contact for Psychological Support for distant learners;

Other

I am currently waiting to know the commitments related to the face-to-face event at Penryn Campus on February 19th and 20th in order to check if there is a chance to have a face-to-face meeting with Ben Roswell and Chris Slesser.
