# Welcome to the FXU Activities Ball 2018

## Appreciate

The FXU Awards are all about recognising the activities and achievements of exceptional students from the University of Exeter Cornwall Campuses and Falmouth University.

The Activities Awards celebrates all of the wonderful achievements of our students in sports clubs, societies and volunteer projects.

The awards are our chance to show our appreciation of the pro-active and hardworking students who do so much outside of, or in addition to, their studies. These are the people who go the extra mile to shape the future for themselves, FXU and the Universities.

## Nominate

Do your group's committee members create exciting opportunities for you? Do you know a sports person who has achieved success? Have you been inspired by someone who you feel goes the extra mile? Do you have a friend who has created inspirational volunteering projects in the community? We're giving you the opportunity to nominate them for an award!

The awards list will show you the complete range of awards available.

The criteria for each award is extremely important—this is what the nominations will be judged and scored against. The nominations will be judged by external panels who do not know each group and student individually, so will be scoring the nominations on the information you provide - make sure it is thorough and really explains your reasons for nominating. Your nomination must demonstrate how your nominee meets the criteria and the easiest way is to provide examples of how each criteria requirement is met on the nomination form.

**The nomination form should be completed online by 5pm Friday 15 March.**

You can nominate more than one person or group for each award.

If you know an excellent person or group that deserves an award, please take the time to submit a nomination.
